- **Family discount:** 10% off from the second member of the same household onward.

How to cancel your membership

- Cancellation requests must be submitted **at least 15 days before** your next billing date. If you cancel with less notice, one additional monthly payment may be charged.
- You can cancel in two ways:

1. Through the **Forja App**: go to "My Membership" > "Cancel Membership" and follow the steps.
 2. In person at the **front desk**, by filling out and signing the cancellation form.
- Cancellation by phone or email is **not accepted** as a valid method; it must be done via the app or in person so the request can be verified and confirmed with a receipt.
 - If your plan has a minimum commitment period (Plus or Premium), cancelling before that period ends may involve an early-termination fee equivalent to one month's fee, unless the cancellation is due to relocation (proof of new address required), documented long-term illness, or job loss (supporting document required).
 - Once processed, you will receive a confirmation email. Your final access day will be the last day of the billing period already paid.
 - Lockers must be emptied and returned by the last day of membership; any belongings left behind will be donated or discarded after 30 days.

Personal training

- **Individual session:** €45 (60 minutes)
- **Package of 10 sessions:** €380
- **Partner training:** €60 per session (€30 per person)
- Personal trainers must be booked at least 24 hours in advance.

How to book a personal trainer

1. **Through the Forja App (recommended):** open the app, go to "Personal Training" > "Book a Session", choose a trainer by specialty or availability, select a date and time slot, and confirm. You will receive a push notification and email confirming the booking.
2. **At the front desk:** members can also book in person at reception; staff will check trainer availability and register the session on the spot.
3. **By phone:** call +34 91 555 03 21 during phone support hours (Monday to Friday, 9:00 AM to 8:00 PM) to book with a specific trainer.
4. **Choosing a trainer:** sessions can be booked with a specific trainer from the training staff list, or as "any available trainer" if you don't have a preference, in which case the front desk will assign one based on your goals.
5. **Advance notice:** all personal training sessions must be booked **at least 24 hours in advance**. Same-day bookings are only possible by calling the front desk directly to check for last-minute availability.
- 6.

Package sessions: if you've purchased a 10-session package, each session is booked individually the same way; sessions are deducted from your package balance automatically in the app.

7. **Cancellations and rescheduling:** a booked session can be cancelled or rescheduled up to 12 hours before the start time at no charge, through the app or at the front desk. Cancelling with less than 12 hours' notice, or not showing up, results in the session being charged or deducted from your package as if it had taken place.
8. **First session:** new members are encouraged to book the **free initial fitness assessment** first; the assessing trainer can help you choose the right specialist and plan for your ongoing personal training sessions.
9. **Trial session:** non-members can book a one-time trial personal training session at the day-pass rate plus the standard personal training fee, available by calling the front desk in advance.

Additional services

-

Free initial fitness assessment: includes body composition measurement, a mobility test and a personalized goal plan, available to all new members.

- **Nutrition consulting:** sessions with a sports nutritionist, €40 for the first session, €25 for following sessions.
- **Physiotherapy:** two physiotherapists on staff, consultations starting at €35, available by appointment Tuesday to Saturday.
- **Community events:** annual charity run "Forja 10K" every May in Retiro Park, open to members and non-members.

Swimming pool dress code and rules

- Only **swimwear designed for pool use** is allowed: swimsuits, swim briefs or swim trunks. Board shorts, gym shorts, underwear or street clothing are not permitted in the water.
- A **swim cap is mandatory** for all pool users; disposable caps are available for €1 at the front desk if you don't have your own.
- **Swim goggles** are recommended but optional.
- Showering **without swimwear** before entering the pool is required at the poolside showers.
- Flip-flops or pool sandals must be worn when walking between the changing rooms and the pool area, for hygiene reasons.
- Children under 8 must wear swim diapers if not yet toilet-trained, and must be accompanied by an adult at all times.
- Diving, running around the pool, and glass containers are not allowed in the pool area.

Drinking water

- Filtered water fountains are available on **both floors**: next to the cardio room on the ground floor, and near the yoga/Pilates area and "The Loft" cycling studio on the first floor.
- All fountains support **refillable bottles**; free reusable steel bottles are available for sale at the front desk (€8) for members who don't bring their own.
- Bringing your own water bottle is recommended, as single-use plastic bottles are not sold in the café out of the gym's sustainability policy.
- Water fountains are cleaned and sanitized daily as part of the gym's hygiene protocol.

Lockers — what you need

- Lockers are available for **daily use only** in both changing rooms; items must be removed at the end of each visit, as lockers are cleared out every night.
- To use a locker, members need their **own padlock**; the gym does not provide padlocks, but small padlocks are available for purchase at the front desk (€5).
- Alternatively, members can use the **digital lockers**, which lock and unlock using the member's Forja App QR code — no physical padlock required for this section.
- Belongings left in lockers overnight will be removed by staff during nightly cleaning and held at the lost-and-found desk for 30 days.
- Valuables (phones, wallets, jewelry) are not covered by the gym's liability; a small valuables safe is available for free at the front desk for short-term use during a workout.

Access policy and general rules

- Personal towel use is mandatory on cardio and strength machines.
- Clean indoor-only sports shoes are recommended.
- Access to the strength training area for members under 16 requires supervision by an adult or a trainer.
- Front desk staff are available throughout all opening hours to answer questions or resolve issues.
